LAS Testing will take place for our ESL students only and for a few new students to the District that may need to test. This is only for a small number of students; students will test one at a time, and they will only be pulled for their particular test (not every single day). Students will be called out of class and will return with a pass to maximize instructional time.

All teachers related to a Sophomore or a Junior must let Mr. Olivarez know by 9/5 for PSAT purposes.
