

AM Rounds Tutorial Schedule for Spring 2018

To better meet our student’s needs, we have developed an AM Rounds schedule. Every 2 weeks we will meet with our students at least once. The first week we will meet with our 1A class on Monday, 2A on Tuesday, 3A on Wednesday, 4A or Thursday, and Friday will be Free for students to go to the class they choose or attend club meetings. Friday will again be a free day. You will do the same for B-day.

These tutorial periods will begin at 8:25. If students are passing the class scheduled for that day, students may be released to another classes or library for the duration of tutorial. If the student is not passing or is missing assignments, teachers will keep students until they are caught up in the class. Synergy days will remain on the same schedule.

Synergy days will remain on the same schedule. Fridays will be free for students to go to the class they choose or attend club meetings, but must first report to a teacher for attendance purposes.
