

Credit by Exam

A student who has received prior instruction in a course or subject but failed the course or subject with a grade of no less than 60 may be permitted by the District to earn credit by passing an examination on the essential knowledge and skills defined for the course or subject. To receive credit, a student must score at least 70 on the examination. The attendance review committee may also allow a student with excessive absences to receive credit for a course by passing an examination. However, a student may not use this examination to regain eligibility to participate in extracurricular activities.
