Address

Just keep answering all the questions!!!!

Finger printing – get that done as soon as possible! There is a charge for that! Use credit card!

Cost for application for Pharmacy Technician Trainee is \$55

Use your credit card or your parents card to pay.

Your certificate will come to you in about 30 days. Bring a copy to school the first day of class.

Put a colored copy in a frame and take it to your clinical rotations. You cannot go to clinical without it.

We will be wearing Navy Blue scrubs this year, so please buy them this summer, along with white closed toe/heal shoes. Please get your TB skin test done and a flu vaccine. Bring a copy

of your immunization record. There will be more papers to fill out when school starts. Let's get organized and be ready to start clinical on September 16th. Your last day of clinical will be March 11th. Your State Exam will be approximately April 3rd.
